

I support media diversity

I am writing to you today to comment on Docket No. 02-277. You are responsible for protecting the public interest, not the profit line of media conglomerates.

Vote against further deregulation of media ownership.

People and communities are local.

I am furious that I have to spend my time protesting the FCC's refusal to hold public hearings.

Please vote to preserve diversity and local ownership of media.

Thank you,

Catherine and David Scarborough
Bellingham, Washington
